Wisconsin winters can be brutal and it's even more brutal to face it without sufficient winter clothing. However, many children and youth in our community face this harsh reality.

Last year, thanks to the kindness of Allen members and generosity of people like you, Allen was able to give 200 new hat and glove/mitten sets to needy children in the Milwaukee community.

This winter, Allen we would like to meet an ambitious goal of collecting and distributing **250** glove/mitten and hat sets to needy children, tots to teens. We are asking for donations of **NEW** glove/mitten and hat sets. Please, share the opportunity to meet this need with your family, friends, neighbors and co-workers.

Donations can be made through Sunday October 28th. The distribution will be at Allen on Saturday, November 3rd from 11:00 am-2:00 pm. So, mark your calendars and plan to support the children.

You may make arrangements to donate new hat and glove/mitten sets by calling 414.263.3100, or cash donations are accepted on our website (using the security of PayPal) at www.visitallen.org.

And, as you see winter close-outs on winter wear, please, consider the children. We will except donations of new winter hat and glove (or mitten) sets throughout the year.

Blessings and thanks,

Pastor Bryson
